

Your Barcode Printing Solution Provider

Dear,

As a valued reseller we would like to inform you that **THARO SYSTEMS** has decided to partner with **DESIGN EF** to distribute our Easylabel software in Europe. DESIGN EF will replace EASYLABEL EUROPA in that capacity over the next few months.

DESIGN EF is owned and operated by current EASYLABEL EUROPA employee Mr. Elie FOALEM, who will ensure that you receive the same level of service that you have come to expect from EASYLABEL EUROPA. You can be assured that all current pricing, support and warranty structures will remain unchanged for you and your customers.

DESIGN EF will take over Easylabel Europa's responsibilities in two phases.

- Phase one will start **June 1st, 2018**. During this phase Design EF will take over all support and warranty claims of Tharo printers.
- Phase two will start **July 1st, 2018**. At that time Design EF will take over all Easylabel software distribution and support.

Easylabel Europa will officially close **July 30<sup>th</sup>, 2018**. Please make all outstanding payments to Easylabel Europa by this date. Otherwise, you will have to send a check to THARO SYSTEMS at the address listed below. Design EF will not be able to ship to your company until all outstanding payments have been received.

Over the next few weeks you will be contacted by Mr. Elie FOALEM to introduce himself and his company. Many of you have been in contact with Mr. FOALEM over the past five years, which should make this a smooth transition.

Should you have any questions or concerns, please do not hesitate to contact Mr. Elie FOALEM with DESIGN EF or Mr. Will Geistig with THARO SYSTEMS.
